

## Disclaimer for 72Patents.com

72Patents.com is not a law firm and does not provide legal advice. We are a document preparation company that specializes in assisting individuals with drafting their patent documents. Our services are intended to support inventors and innovators by helping them organize and prepare their ideas for submission to a qualified patent attorney and ultimately to the United States Patent and Trademark Office (USPTO).

We do not represent clients in legal matters, and no attorney-client relationship is formed through the use of our services. Our role is to guide clients through the patent preparation process, including connecting them with licensed patent attorneys when appropriate, and providing direction on how to proceed with filings at the USPTO.

By using our services, you acknowledge and agree that:

- 72Patents.com does not guarantee the approval or issuance of a patent.
- You will not hold 72Patents.com liable for any outcomes related to your patent application.
- You waive any right to sue or make claims against 72Patents.com, its employees, or affiliates for any reason related to our services.

If you require legal advice, we strongly recommend that you consult with a licensed patent attorney.
